Krishnan Ganesh | Founder and Chairman | TutorVista.com

Krishnan Ganesh is the Founder & Chairman of TutorVista.com (www.tutorvista.com), a personalized, 24/hour online tutoring service. Ganesh founded TutorVista.com in 2005 and serves as the company's CEO. He is responsible for overseeing all aspects of the company's business operations.

Ganesh created TutorVista.com to help provide students, from kindergarten to the graduate level, with individualized learning programs taught by world class experts. These experts are based in India, known as the educational hotbed, and are responsible for producing the world leaders in all subjects across the board.

A seasoned entrepreneur, Ganesh has a strong history of starting green field ventures and helping them develop into robust and successful entities. Ganesh began his career as Founder & CEO of IT&T Limited, India's premiere IT and network services company, where he took the company public in 2000. After eight years at IT&T, he then went on to become the CEO of Wipro British Telecom/Bharti British Telecom where he turned around a drowning company on the brink of bankruptcy into a cash break even company. His next venture was as CEO & Founder of CustomerAsset/ICICOneSource, India's top BPO company, where he developed the company's staff from zero to 4,000.

Ganesh has a post-graduate degree from the Institute of Management in Calcutta as well as a Mechanical Engineering degree from Delhi University. Ganesh currently serves as a member of the visiting faculty at Jamnalal Bajaj Institute of Management Studies (Mumbai), Indian Institute of Management (Calcutta) and Institute of Management Technology, Ghaziabad. As an educator, he has also conducted workshops on the topics ranging from Managing Exponential Growth, Entrepreneurship Challenges in Today's World, and Motivating Employees in High-tech Industries.
