

TUTORVISTA.COM FACT SHEET

What is TutorVista.com?

TutorVista.com is the world's leading online tutoring company and the premier online destination for affordable education - anytime, anywhere and in any subject. TutorVista.com conveniently offers scheduled and on-demand voice-based tutoring for K-12.

The Tutors:

TutorVista.com only hires experienced tutors. Most have a masters or Ph.D. degree as well as 5-10 years teaching experience. TutorVista.com tutors complete weeks of intensive training and must pass stringent certification exams. They follow national and state academic standards and curricula and use TutorVista.com's extensive library of online content, question banks, animations, simulations, videos and virtual experiments for maximum student engagement and learning.

The Cost:

TutorVista.com tutoring is affordable. For only \$99.99 per month, students get unlimited tutoring in subjects like English, Math and Science.

How TutorVista.com Works:

Schedule sessions with your preferred tutor in advance and get on-demand help too. Through a technology called Voice-Over-Internet Protocol (VoIP), student and tutor talk naturally with headphone and microphone using their personal computer. Both student and tutor share an online virtual "whiteboard" on their screen where they work problems, do activities, demonstrate solutions, relate new material to previously mastered skills, and conduct assessments.

What does TutorVista.com Offer Schools and Homeschoolers?

TutorVista.com offers flexible in and after school, library, community center, and at-home tutoring for district, school, community, statewide programs, and homeschoolers.

Growth Metrics:

Number of active students:	20,000 in 27 countries
Growth rate:	22% per month, 935% annual growth
